

**Offers a place to get all your Parenting questions answered
with
Systematic Training for Effective Parenting**

As a caring parent, you have probably asked yourself many times:

- *Why is my child doing it?*
- *What's the best way to discipline?*
- *How do I help my child cooperate?*
- *How can I build self-esteem in my child?*
- *How do I talk so my child will listen?*
- *How can I help my child deal with his/her friends?*

In eight sessions, you will learn helpful techniques to improve family communication and to encourage cooperation, effective discipline strategies that promote both self-esteem and mutual respect. The lives of over 4,000,000 parents have already been enriched by this wonderful program. **You can join them!**
